

## PRESS RELEASE

### **LIFE-IP CEI-Greece Project – Organization of an Information Day & Three-Day Regional Workshop on Circular Economy, 17-19/6/2025**

An Information Day and a Regional Circular Economy Workshop in the Region of Epirus are being co-organized by the Green Fund, the Ministry of Environment and Energy, the Region of Epirus, the Municipality of Ioannina, the Epirus Waste Management Authority of Epirus, and TERRA NOVA Ltd. Environmental Technical Consultancy, from June 17 to 19, 2025, in Ioannina, at the Event Hall of the Technical Chamber of Greece / Epirus Department (6-8 Aravantinou Street), in the framework of the LIFE-IP CEI-Greece Project – LIFE18 IPE/GR/000013 "Implementation of circular economy in Greece".

Specifically, on June 17, from 10:30 to 14:45, the **Information Day** will be held, aimed at the public. Its purpose is to present the LIFE-IP CEI-Greece project, showcase successful circular economy practices that can be applied in the Region of Epirus, and enhance overall understanding of circular economy issues.

This will be followed by the **Three-Day Regional Capacity-Building Workshop**, which will take place on June 17 from 14:45 to 18:00, and on June 18 and 19 from 09:30 to 14:30. The workshop will address the following thematic areas:

- **Day One:** "Circular Economy in the Agri-food Sector in Epirus"
- **Day Two:** "Local Authorities & Circular Economy"
- **Day Three:** "Circular Economy & Entrepreneurship"

The workshop will include discussions with invited guest speakers and representatives of relevant institutions, presentations on circular economy-related topics, hands-on training activities, and the presentation of case studies by project partners. The workshops aim to train all relevant stakeholders involved in the design and implementation of circular waste management solutions, including municipalities, industries, SMEs, farmers' associations, professional and industrial chambers, local tourism associations, NGOs, and others.

Participation in these events is free of charge and exclusively in-person. However, pre-registration is required for attendance at both the Information Day and the Workshop, via the following link:

### **About the "LIFE-IP CEI-Greece – Implementation of the Circular Economy in Greece" Project**

The **LIFE-IP CEI-Greece Implementation of the Circular Economy in Greece** project aims to contribute to the implementation of the National Waste Management Plan, the National Waste Prevention Program, and the National Circular Economy Strategy. This initiative promotes a new approach to waste management based on circular economy principles by adopting best practices and behavioral changes to extend product lifecycles, convert waste into resources, and effectively implement the EU's waste legislative package.
