

Antiparos Circular Business

The Municipality of Antiparos and the DAFNI Network of Sustainable Islands invite you on **Tuesday, September 23, at 6:00 p.m.**, to the **Kalouda Hall (event hall of the Antiparos Primary School)**, for an information event presenting the results of the “Antiparos Circular Business” source separation action for recyclable materials. The event is organized within the framework of the European project **LIFE-IP CEI-Greece “Circular Economy Implementation in Greece.”**

During the event, the quantitative results from the two-year operation of the “**door-to-door**” collection of recyclable materials from Antiparos’ food service and catering businesses will be presented, an action that has been successfully implemented for yet another tourist season. New initiatives for the implementation of the Circular Economy and the expansion of the Municipality of Antiparos’ source separation network will also be showcased.

The event will conclude with a discussion with the public and representatives of businesses participating in the action.

The event is open to the general public, local organizations, and businesses of Antiparos.

About the "LIFE-IP CEI-Greece – Implementation of the Circular Economy in Greece" Project

The **LIFE-IP CEI-Greece Implementation of the Circular Economy in Greece** project aims to contribute to the implementation of the National Waste Management Plan, the National Waste Prevention Program, and the National Circular Economy Strategy. This initiative promotes a new approach to waste management based on circular economy principles by adopting best practices and behavioral changes to extend product lifecycles, convert waste into resources, and effectively implement the EU’s waste legislative package.
