

PRESS RELEASE

E-learning Programme- “Circular Economy for Tourism Professionals” within the framework of LIFE-IP CEI-Greece

A free, comprehensive distance-learning programme entitled “**Circular Economy for Tourism Professionals**” is being delivered within the LIFE-IP CEI-Greece project “Implementation of Circular Economy in Greece.”

The training programme is addressed to **entrepreneurs, employees and students** in the **tourism sector** who are interested in acquiring new knowledge and skills related to waste management and the implementation of circular economy actions in hospitality and food service businesses.

Participants will become familiar with practical tools, funding opportunities, certification schemes, as well as best practices for waste prevention and management, aiming to support more circular and sustainable tourism businesses.

The programme is offered **FREE OF CHARGE** and is implemented entirely online through a combination of synchronous learning (live webinars) and asynchronous learning (recorded e-courses).

Participants who successfully complete the programme will receive a Certificate of Attendance.

About the "LIFE-IP CEI-Greece – Implementation of the Circular Economy in Greece" Project

The **LIFE-IP CEI-Greece Implementation of the Circular Economy in Greece** project aims to contribute to the implementation of the National Waste Management Plan, the National Waste Prevention Program, and the National Circular Economy Strategy. This initiative promotes a new approach to waste management based on circular economy principles by adopting best practices and behavioral changes to extend product lifecycles, convert waste into resources, and effectively implement the EU's waste legislative package.
