Deliverable E2.D5
Proceedings of the Thematic Online Workshop entitled: "National Circular Economy Observatory: Monitoring National Circular Economy Indicators"

Summary

The deliverable E2.D5 includes the proceedings of the workshop on "National Circular Economy Observatory: Monitoring National Circular Economy Indicators", which was conducted on Thursday 15th of October 2026, 10.00-12.15 [Eastern European Time (EET)]. Workshop targeted on informing public on the contribution of the National Circular Economy Observatory to monitor the country's progress towards the transition to a circular economy.

Experts in recycling and biowaste management, as well as representatives of public authorities from Greece and Cyprus, were invited to participate as speakers in the online workshop. 212 people attended the Workshop followed by a discussion between speakers and the public.
